I am just checking in to make sure Annie received the \$30,000.00 payment sent last week. Can you confirm?

Thank you,

Hi Kelly,

I haven't heard from you for a long time. Is everything okay?

On March 30, two customers, Jiali Sun and Yanghong Dou, were due to be paid interest of US \$15,000 respectively. As the Hong Kong account can't receive any payment for the time being, please pay to the attached accounts. If you have any questions, please contact me at any time. Thank you!

Best,

Annie

Dear Annie,

Greetings from snowy and cold New Hampshire! You should have received a wire for US \$15,000.00 for payment of the outstanding amount due you in connection with Lan Cen. Could you please confirm receipt!

We have finally finalized some changes with the purchase and sales agreement for that greenhouse project I was telling you about at the end of the summer. I can put together all the information for you next week if you are still interested. The project is looking for equity investment and also could structure an EB-5 offering. I am sure that you have heard about all the changes in EB-5 and I

cannot predict whether and when there could be changes again, but right now the minimum investment for an actual TEA, which all of northern NH is, is \$900,000.

Let me know if you have any questions, concerns, etc. at this time!

Best,
Kelly

Hi Annie,

The funds that came in from the project cleared, so payment in the amount of US\$45,000 has been authorized to you for annual amounts for Churao Wen, Lan Cen, and Yanning Wang. We do have a bank holiday on Monday so I am not sure if you will receive that before Tuesday, but please confirm when you do receive it. As more unit sales occur, we will make sure the remaining \$15,000 is paid to you!

Thank you!

Kelly
